

VANNI

SUNSHINE BY VANNI VANNI-style sunglasses

A collection of broad feminine or chunky masculine sunglasses making sport with the brand's famous acetates. The result: some unique and unmistakable models.

VANNI sunwear has a deep-seated splash of colour – red, green, violet and blue – and draws on the acetates from **Hydra**, **Pixel** and **Blade**. Feminine shapes are on the wide side but not unduly, and the colour shades are cool. Male versions go for grey or a mellow brown.

The season's real novelty is the sun option based on exclusive **Tangram** acetate.

Top quality lenses have a soft-focus or full colour look, and superb protection from sunrays.
